

Dog Licenses Due  
Feb 27, 2015

Just a reminder that all dogs within the Village of Ridgeway must be licensed by April 1st. Be sure the vaccinations are up to date and if you recently got your dog vaccinated you will need to bring a copy of the vaccination record. Cost for licenses is \$18 for male or female, \$8 for spayed and neutered dogs.

If you aren't sure when your dogs vaccination is expiring, you can call our office to find out.
