

RIDGEWAY YOUTH BASEBALL PROGRAMS 2019

Each year the Ridgeway Advancement sponsors summer baseball programs for youth in the Village of Ridgeway and Town of Ridgeway. This summer the programs being offered include the following:

Tee Ball – boys and girls - ages 4 & 5 (age 6 if first year playing)

A tee and soft ball will be used to assist in teaching the basic rules and skills of baseball. Start date anticipated to be the week of June 10th with the day(s) of the week to be determined by coaches. T-shirts for players are provided and do not need to be returned.

Coach Pitch – boys and girls – ages 6 & 7 (one year of prior tee ball experience suggested)

Players will have a baseball pitched to them by a coach and continue to develop baseball skills to include hitting, catching, throwing and game strategies. Games will be played with other teams so travel will be required in surrounding communities (primarily Barneveld). Start date anticipated to be the week of June 10th or earlier with the day(s) of the week to be determined by coaches. T-shirts for players are provided and do not need to be returned.

Summer baseball - 3rd and 4th grades – boys and girls

Summer baseball - 5th and 6th grades – boys and girls

Players will continue skill development and participate in game competition. Players on the team will compete against other teams in the Southwestern Wisconsin Ruesegger Sports League and travel will be required for away games. Parents are responsible for getting players to games, not coaches. All home games are played in Ridgeway. Games expected to begin the week of June 1st through mid-July. Practice expected to begin beginning in May. Typical schedule will be two league games played each week. 3rd and 4th graders play league games on Monday and Thursday nights at 5:30 p.m. and 5th and 6th grade play league games on Monday and Thursday night at 7:30 p.m. Ages will be combined, if necessary, to roster a full team at the highest age.

The summer baseball programs being offered will depend on the number of participants interested so it is very important to complete the form and return it to school by Friday, April 26th.
